**GET YOUR  
MOG MOVING!**

# MOG. NO ROOM FOR RUSTY COGS

Managing government information is complicated at the best of times. Throw in a Machinery of Government (MOG) change and things can quickly grind to a halt.

How do you reorganise and migrate systems, information and processes without disrupting business and upsetting staff?

Get help from the experts –  
**INFORMATION**

## **A world-class team that speaks your language.**

INFORMATION has the largest information management specialist consulting team in Australia. With many of us having worked in the Information Management space for more than 20 years, we bring a depth of functional, technical and support service knowledge and experience which is unsurpassed in the industry. Our consultants are the go-to resource for the delivery of professional services to dynamic organisations around the world. Organisations like yours, who like to stay ahead of the curve.

To help balance your compliance needs with ambitious but achievable collaboration and productivity objectives, our expertise covers:

- Data mapping, extraction and migration services
- Process mapping and documentation
- Machinery of Government movements for EDRMS solutions
- Integrating SharePoint/O365 and Content Manager

# PROFILE OF A PROFESSIONAL

INFORMOTION is an innovative professional services organisation specialising in the design and implementation of modern information management, collaboration and governance systems. With solutions built on world class platforms like Micro Focus Content Manager (CM), Microsoft O365 and SharePoint, LiveTiles, Ephesoft Transact and EncompaaS we can help you map and execute your digital transformation strategy – on-premises, in the cloud or hybrid.

INFORMOTION provides managed services for remote technical, and records management functional system checks. Hosted services are provided across: Azure, Optus Cloud, Private Cloud, the Government Data Centre and the eHealth platform.
